world-first system

**M SHOE**

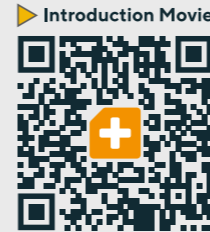

**SAVE TIME.  
DON'T WAIT!**

Visit [mplusafety.com](http://mplusafety.com) for whole-range of shoes.

Everything is easy with one step.

The game is change with M+Safety, which is bringing an innovative solution to the market as a world-first system that is integrated technology to safety shoes. No more need card reading, baffle gate, or fingerprint to control your employee working hours ( entering/leaving ). It is providing saving time, increasing productivity, and more auditability with this innovative system.

**THE FUTURE IS  
ONE STEP AHEAD**
